- 8.3 Consideration of one (1) County of Los Angeles Joint Property Tax Resolution (JPTR), *Petition No. 13-209, Tax Rate Area 11327*. This resolution authorizes the County of Los Angeles and GLACVCD to collectively approve and accept the negotiated exchange of ad valorem property tax revenue resulting from the annexation of the subject territory identified in the resolution to provide revenue to the County Lighting Maintenance Districts (CLMD) 1687. A copy of the letter from the County of Los Angeles Department of Public Works requesting this resolution is attached. (**EXHIBIT C**)

Analysis: The JPTR from the County of Los Angeles is similar to previous L.A. County tax sharing resolutions and seek to generate revenue to partially fund the services of CLMD 1687, as noted above. Similar resolutions have previously been adopted by the Board; Petition No. 13-209 (Tax Rate Area 11327), relates to funding for the operation and maintenance of new street lighting services for an undetermined number of acres in the Castaic area. Although the District gives up a negligible share of its ad valorem property taxes in these exchanges, in subsequent years, that amount would generally be regained, if not exceeded, due to an increase in property values associated with services provided by the CLMD.

- 8.4 Consideration of two (2) Joint Tax Sharing Resolutions from the County Sanitation Districts of Los Angeles County (Annexation No. *SCV-1050 and SCV-1052*). Annexation No. SCV-1050 requests GLACVCD to allocate 0.0005810% of its current 0.0322% share of property tax resulting in a net share of 0.0316% to support services to an area being annexed to the County Sanitation District. Annexation No. SCV-1052 requests GLACVCD to allocate 0.0005810% of its current 0.0322% share of property tax resulting in a net share of 0.0316% to support services to an area being annexed to the County Sanitation District. (**EXHIBIT D**)

Analysis: The applicant requested annexation of property into the above County Sanitation District Numbers in order to receive off-site disposal of sewage. The annexation process requires that a resolution for property tax revenue exchange be adopted by all the affected local agencies before an annexation may be approved. These requests are similar to many received from the county sanitation districts and public works in the past. By sharing the property tax increment with the District resulting from these annexations, GLACVCD will not lose any existing ad valorem tax revenue it currently receives from the affected territories. GLACVCD would only be giving up a portion of the revenues it would receive on increased assessed valuation.
