- 8.3 Consideration of two (2) County of Los Angeles Joint Property Tax Resolutions (JPTR), *L 073-2008 and 116-01*. These resolutions authorize the County of Los Angeles and GLACVCD to collectively approve and accept the negotiated exchange of ad valorem property tax revenue resulting from the annexation of the subject territories identified in the resolutions to provide revenue to the County Lighting Maintenance District (CLMD) 1687. A copy of the letters from the County of Los Angeles Department of Public Works requesting these resolutions is attached. **(EXHIBIT C)**

Analysis: The JPTR from the County of Los Angeles is similar to previous L.A. County tax sharing resolutions and seeks to generate revenue to partially fund the services of CLMD 1687, as noted above. Similar resolutions have previously been adopted by the Board; L 073-2008 relates to funding for the operation and maintenance of new street lighting services for an undetermined number of acres in the Rowland Heights area. L 116-01 relates to funding for the operation and maintenance of new street lighting services for an undetermined number of acres in the North Whittier area. Although the District gives up a negligible share of its ad valorem property taxes in these exchanges, in subsequent years, that amount would generally be regained, if not exceeded, due to an increase in property values associated with services provided by the CLMD.
