8. **CONSENT AGENDA (8.1-8.4)**

8.1 Consideration of **Minutes 2010-11** of regular Board Meeting held on November 18, 2010. (*EXHIBIT A*)

8.2 Consideration of **Resolution 2010-21** Authorizing Payment of Attached Requisition Schedule for November 1, 2010 through November 30, 2010 (*EXHIBIT B*)

- 8.3 Consideration of one (1) County of Los Angeles Joint Property Tax Resolution (JPTR), L 048-2010. This resolution authorizes the County of Los Angeles and GLACVCD to collectively approve and accept the negotiated exchange of ad valorem property tax revenue resulting from the annexation of the subject territory identified in the resolution to provide revenue to the County Lighting Maintenance District (CLMD) 1687. A copy of the letter from the County of Los Angeles Department of Public Works requesting this resolution is attached. (**EXHIBIT C**)

Analysis: The JPTR from the County of Los Angeles is similar to previous L.A. County tax sharing resolutions and seek to generate revenue to partially fund the services of CLMD 1687, as noted above. Similar resolutions have previously been adopted by the Board; L 048-2010 relates to funding for the operation and maintenance of new street lighting services for an undetermined number of acres in the Avocado Heights area. Although the District gives up a negligible share of its ad valorem property taxes in these exchanges, in subsequent years, that amount would generally be regained, if not exceeded, due to an increase in property values associated with services provided by the CLMD.

- 8.4 Consideration of one (1) Joint Tax Sharing Resolutions from the County Sanitation Districts of Los Angeles County (Annexation No. SCV-1049). Annexation No. SCV-1049 requests GLACVCD to allocate 0.0005810% of its current 0.0322% share of property tax resulting in a net share of 0.0317% to support services to an area being annexed to the County Sanitation District. (**EXHIBIT D**)

Analysis: The applicant requested annexation of property into the above County Sanitation District Numbers in order to receive off-site disposal of sewage. The annexation process requires that a resolution for property tax revenue exchange be adopted by all the affected local agencies before an annexation may be approved. This request is similar to many received from the county sanitation districts and public works in the past. By sharing the property tax increment with the District resulting from this annexation, GLACVCD will not lose any existing ad valorem tax revenue it currently receives from the affected territories. GLACVCD would only be giving up a portion of the revenues it would receive on increased assessed valuation.
